RE: Islanders Physical Therapy & Rehab Closing September 13, 2019

Dear Joyce and Staff,

The San Juan County Public Hospital District No. 1 (SJCPHD #1) wants to formally thank all of you for putting our community's rehabilitation needs first for the many years you have operated Islanders Physical Therapy & Rehab.

San Juan County residents could not have had a better partner than you for rehabilitation service needs in Friday Harbor. You have provided skilled and compassionate services to many islanders over the course of 15 plus years of commitment to rehabilitation and physical therapy in the islands.

SJCPHD #1 wishes you and your husband, Tom, the very best in your retirement. Our island community will remember your organization for the way it always provided skillful and caring services to Islanders Physical Therapy & Rehab patients. Joyce, you were a therapist and a friend to those who came through your doors. You and your staff will be missed.

Best wishes,

Pamela Hutchins, Superintendent  
On Behalf of SJCPHD #1 Board of Commissioners
