RECITALS

1. On May 24, 2017, Mt. Baker Planned Parenthood ("MBPP") and San Juan County Public Hospital District No. 1 ("the District") entered into an agreement (jointly referred herein as "the parties").
2. Subsequently, the parties have determined that it is in the best interests of each to modify the agreement as set forth in this document (the "first Amendment").

AGREEMENT

NOW, THEREFORE, the two parties agree to the following amendments to the existing contract:

1. To Amend the agreement as follows:
 - a. The current language in section 1.1.5 shall be stricken and the following language substituted:

1.1.5 Annual Reports. MBPP shall present an annual financial report regarding the operation of the FH Clinic to the District's Board of Commissioners in the first quarter of the year or as mutually agreed. The report shall include the following with respect to the FH clinic: a comprehensive accounting of the funds paid by the District; other revenue received specifically by the FH Clinic, including but not limited to donations, and payments from private insurance, Medicaid and other payers. MBPP shall also provide, as part of the annual report, a detailed description of the services provided during the calendar year, including how many patients were treated through these services. Six months following the annual report (or as mutually agreed), MBPP shall give a update to the Board and be available for questions.

- b. The current language in section 2.1 shall be stricken and the following language substituted:

2.1 Obligations of San Juan County Public Hospital District No. 1. The District agrees to pay forty-five thousand dollars (\$45,000) per calendar year to MBPP to subsidize medical services at the FH Clinic (the "annual subsidy")..."

[The remainder of section 2.1 remains the same]

2. Except as explicitly set forth in this agreement, the Parties agree and acknowledge that all the terms of the agreement shall remain in effect.

3. Each party to this First Amendment represents that the execution, delivery and performance by that party of this First Amendment have been duly authorized by all necessary action of that Party's governing body. Each copy of such authorization shall be attached herein: the District's Resolution 20-531 "to Amend the Agreement with Mt. Baker Planned Parenthood" is attachment 1, and MBPP authorization is attachment 2.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed in duplicate original.
