FOR IMMEDIATE RELEASE – April 22, 2021

SJCPHD#1 Receives Clean Bill of Health from State Audit

The San Juan County Public Hospital District recently received the final Audit report for the financial period of January 1, 2019 through December 31, 2019. This report was the 2019 financial and internal controls audit which also covers San Juan EMS which is a part of the hospital district. The audit, which concluded on April 22, 2021, is routine and normal for governmental agencies. The report concluded that there were no findings, and the district was given a clean bill of health.

Superintendent Nathan Butler said “I’m so pleased to be able to report that there were no findings in our 2019 financial and internal controls audit. Due to COVID-19 the audit was done entirely remotely, which was a challenge of its own, but I’d like to thank the state auditor’s office for making it manageable. I’d also like to thank former Superintendent Hutchins who was instrumental in making this audit a success.”

To find a copy of the official audit report, please go to sao.wa.gov, scroll down to “Quick Search Audit Reports,” and enter report number 1028120. When you click search, the audit report should appear.
